

Raiffeisen Megatrend ESG Equity Fund of Funds

Climate change, technological revolution, artificial intelligence, demographic transformation (aging societies in developed countries). These are concepts we encounter frequently. The fund invests indirectly in selected securities through a fund of funds structure, primarily holding investment units of the Raiffeisen Megatrend Fund in its portfolio. The underlying investment fund is an equity fund that invests in companies interested in the trends of the mentioned themes. The issuers of the underlying assets all comply with the ESG criteria system used by the international Raiffeisen Group (RBI).
