Premium Banking account:

Eligibility criteria: Pre-condition for the use of the account is to receive on a **monthly basis** (i) from outside the Bank or (ii) from within the Bank, from a legal person or a company without legal personality or a sole trader, **in a lump sum** of at least twice the monthly gross minimum wage (the statutory minimum amount of the basic salary of a full-time employee for full-time work) in HUF or the equivalent amount in a foreign currency quoted by the Bank (this is HUF 533,600 on 1st February 2024, HUF 581,600 from 01.01.2025), credited to the Customer's account, provided that the amount of the credit does not exceed the minimum monthly credit amount currently specified for the Premium Banking Plus account. For the purposes of this condition, the Bank shall not consider a transfer between own accounts as a credit transfer.

Verification of the condition: The Bank shall verify compliance with the above conditions on the last working day of the relevant month (reference month). The Bank shall examine the fulfilment of the above crediting condition for the relevant month (reference month) from the 20th day of the month preceding the reference month to the 19th day of the reference month. The Bank does not verify the fulfilment of the conditions for the use of the account fee package during the month of setting up the account fee package and the first following month (grace period), but will do so on the last working day of the next month.

The Bank determines the HUF equivalent of foreign currency credits by taking into account the Raiffeisen Bank's mid exchange rate valid for individuals on the day of the verification.

Charging account management fee: After the grace period, in case of non-compliance with the condition, the Bank shall be entitled to charge a monthly account keeping fee, due on the 3rd working day of the month following the month concerned.

Promotion: From 1 February 2024 until 31st December 2026, the Bank will not charge a monthly account keeping fee, and will consider the conditions for using the Premium Banking account to have been met during the promotional period, if the amount of the above-mentioned crediting to the account equals to at least HUF 400,000 or its foreign currency equivalent.

Premium Banking Plus account:

Eligibility criteria:

Pre-condition for the use of the account is

- to receive on a monthly basis (i) from outside the Bank or (ii) from within the Bank, from a legal person or a company without legal personality or a sole trader, in a lump sum of four times the monthly gross minimum wage (the statutory minimum amount of the basic salary of a full-time employee for full-time work) in HUF or the equivalent amount in a foreign currency quoted by the Bank (this is HUF 1,067,200 on 1st February 2024, HUF 1,163,200 from 01.01.2025), or
- that the aggregate balance of the Customer's savings with Raiffeisen Bank is at least fifty times the current gross monthly minimum wage or the equivalent amount in foreign currency. (this is HUF 13,340,000 on 1st February 2024, HUF 14,540,000 from 01.01.2025), but it should not exceed the lowest amount of the required savings specified in the current List of Terms & Conditions for Private Customers, i.e. the Private Banking segment limit.

Verification of the condition: The Bank shall verify compliance with the above conditions on the last working day of the relevant month (reference month). The Bank shall examine the fulfilment of the above crediting condition for the relevant month (reference month) from the 20th day of the month preceding the reference month to the 19th day of the reference month. The Bank does not verify the fulfilment of the conditions for the use of the account fee package during the month of setting up the account fee package and the first following month (grace period), but will do so on the last working day of the next month.

For the purposes of this condition, the Bank shall not consider a transfer between own accounts as a credit transfer.

When calculating the aggregate savings balance, the Bank takes into account: The balance of Raiffeisen bank accounts, the amount of time deposits and the aggregate closing balance of securities accounts with Raiffeisen Bank available on the day of verification.

The Bank determines the HUF equivalent of foreign currency credits and/or savings by taking into account the Raiffeisen Bank's mid exchange rate valid for individuals on the day of the verification.

- the aggregate balance of the above assets (savings) deposited with the Bank equals or exceeds HUF 10,000,000 or its equivalent in a foreign currency.

Common rules for Premium Banking and Premium Banking Plus accounts:

Premium Banking and Premium Banking Plus accounts can only be opened in HUF.

Customers may only have one account in respect of Premium Banking and Premium Banking Plus accounts. The Bank offers the Premium Banking and Premium Banking Plus accounts to new Customers, whereas for Customers already existing on 31st January 2024, the same accounts will be offered only as part of account package switching.

If the Customer wishes to open a foreign currency account or an additional HUF account, the List of Terms & Conditions for Retail Customers shall apply. Opening and maintaining at least one HUF account in the Premium segment per customer is mandatory. Failure to comply with this requirement will entitle the Bank to reclassify the Customer to the Retail segment.

Initiating a package switching is only possible to sold account packages.

If, on the day of verification, the Customer has any debts that have been overdue for more than 30 days, the Customer shall be obliged to pay, in relation to the maintenance of the bank account fee package the monthly account keeping fee, regardless of whether all the other conditions are fulfilled.

In the event the Customer initiates the switching of the bank account fee package, the Customer shall be exempted from the obligation to pay any account keeping fee that may be due in the month concerned, if the Customer concludes the agreement with the Bank for the switching of the bank account fee package by the 5th business day prior to the last business day of the month concerned.

In case of reclassification of the Customer to the Retail segment, the terms and conditions of the account package defined as the Fee Winner or its respective successor shall apply, unless otherwise specified by the Customer.

For matters not covered in this List of Terms & Conditions for the above bank accounts, the terms and conditions of the Fee Winner account in the current List of Terms & Conditions for Retail Customers shall prevail.

(VII.08.) amending decrees on extra profit taxes, stipulating derogation Paragraph i) of Subsection (1) of Section 6 of the act on the financial transaction duty the Bank made the following amendment in favour of our customers with effect from 01.08.2024.

In the case of every fee item in this List of Conditions for which a fee or a fee element is stipulated concerning "portion exceeding HUF 20,000" or "exceeding equivalent amount of HUF 20,000" the text "parts of amounts in excess of HUF 20,000" or "(parts of) amounts in excess of the equivalent of HUF 20,000" shall be replaced with the text "portion exceeding HUF 50,000" or "exceeding equivalent amount of HUF 50,000", taking into account the following:

The above modification and the conditions so modified – including the stipulations of the following paragraph – shall remain in effect as long as the Bank is also exempted by law from the obligation to pay duty in the case of the transactions concerned in relation to the part of the relevant amount up to HUF 50,000. In lieu of such legislation the modified amended terms and conditions will automatically revert to those in force before this amendment and this paragraph of the List of Conditions shall lapse simultaneously.

Due to the changes effective of Act CXVI of 2012, the Bank will not charge the fee element of 0.45% max. HUF 20,000 in accordance with the principle of symmetry in the case of all credit transfers for the portion not exceeding HUF 50,000 per transaction. Under this:

if the amount of the credit transfer is HUF 50,000 or less, the fee element of 0.45%, max HUF 20,000 is not charged,

if the amount of the credit transfer is in excess of HUF 50,000, then up to HUF 50,000 the fee element of 0.45% max. HUF 20,000 is not charged.

The maximum HUF 20,000 shown for transfers applies to the 0.45% added to the given fee.

In the case of credit transfers from retail bank accounts to client accounts kept at the Hungarian State Treasury (MÁK), or to central accounts kept for the purpose of buying and selling government securities (to the credit of accounts identified by MÁK and belonging to the account ranges listed below), from the credit transfer fee the Bank will not charge the fee element corresponding to the measure of financial transaction tax - 0.45% max. HUF 20,000.

***Rules applicable to free one-off transfer and standing order limits**

Calendar month: from 00:00 on the 1st of every month until 23:59 on the last day of the month.

Method for calculating the free limit:

The free transfer limit applies per account, is only valid for the account packages specified above and cannot be split between accounts. The free transfer limit includes all payment orders (including instant transfer orders initiated by a payment request or unified data entry solution) or transactions submitted to the Bank through the specified channel, regardless of whether the order has been executed, revoked, cancelled or recalled. In the case of an order with a value date, if the date of submission and the value date indicated by the Customer are in different months, the amount of the transaction in question will be included in the limit for the month of the value date. The free transfer limit is only available for the calendar month concerned. If the free transfer limit is not used up in a given month, it cannot be carried over and cannot be accumulated for subsequent months. The different discounts cannot be combined, the available

free limit is also reduced by free transaction types – e.g. executing a payment request or unified data entry solution, executing a transfer of less than HUF 50,000.

One-off and recurring transactions are subject to different free transfer limits, which cannot be combined or split and are only valid through a specified submission channel, and the calculation of the transaction is also performed separately within these limits.

The free transfer limit is calculated on the basis of the transaction information stored in the Bank's systems. The Bank does not provide a separate informational platform in this regard, the limit utilisation can be checked in the account history.

If the amount of a given transaction is higher than the available free transfer limit, the currently applicable non-discounted fee will be applied to the amount exceeding the limit. Any additional transactions exceeding the free transfer limit will also be subject to the applicable non-discounted fee. Non-discounted fee: for the portion exceeding HUF 50,000 0,45%, max. HUF 20,000.

In-bank transfers between own accounts do not reduce the free limit.

For the purposes of calculating the free limit, a transfer between the customer's accounts registered with the Bank in different customer master records is not considered a transfer between own accounts. (The customer master is the same as the middle 6 characters of the Account ID / short account number on the bank statement header and on the customer card.

In the event of switching between account packages, all transactions initiated in a given calendar month will reduce the free transfer limit applicable to the current account package after switching the account package – regardless of whether the transaction was initiated and/or booked before the switching of the account package.

The free transfer limit is only available to the Customer until the day he/she has an account package in which this free transfer option is available.

The Bank reserves the right to change, within the limits of the legislation in force, the settlement logic of the free transfer limit as detailed above.

Rules on free standing order limits:

In the case of Standing Orders, the Bank provides a free transfer limit separate from the HUF one-off transfers under the same conditions as for HUF one-off transfers, with the proviso that all orders submitted via any channel, including in-bank transfers between own accounts, intra-bank transfers and bank-to-bank transfers, are included in the free transfer limit.

The Bank does not charge a fee equal to the transaction fee for transfers to a customer account maintained by the Hungarian State Treasury (MÁK) or to a central account maintained for the purpose of distributing government securities. The Bank will debit the fees for these transfers and credit them to the customer's account retrospectively by the 10th day of the month following the month concerned, with the first credit being posted in cumulative amounts no later than 10th July 2024.

Rules for SEPA Credit Transfers:

In the case of electronic intra-bank and bank-to-bank SEPA (EUR) transfers within Hungary and to abroad within the EEA, the Bank provides a free transfer limit separate from the HUF one-off transfers under the same conditions as for HUF one-off transfers, under the proviso that the Bank will debit the fees for these transfers and credit them to the customer's account retrospectively by the 10th day of the month following the month concerned, with the first credit being posted in cumulative amounts no later than 10th July 2024. The urgent, extra urgent and conversion fees do not reduce the free transfer limit and are not part of it, i.e. they cannot be free of charge, they will be charged in all cases.

**The execution of payment requests or transactions initiated using the unified data entry solution are executed by made by instant bank transfer. Under Section 36/E of the Act LXXXV of 2009 on the Pursuit of the Business of Payment Services (Pft.) in case of instant HUF transfers initiated by payment request or unified data entry solution, fee(s) won't be charged by the Bank as long as this provision is effective.

*** For Customers existing on 31 January 2024 and upgrading to a Premium Banking or Premium Banking Plus account, standing orders and direct debit orders submitted at the branch or via Raiffeisen Direct are free of charge as part of the promotional offer. The promotion is valid until cancelled, but no later than 31th May 2025.

**** The fee according to the List of Terms and Conditions of Raiffeisen Bank Account corresponds to the currently applicable fee set out in chapter "Other fees and commissions for HUF bank accounts for available and non-available bank account packages" of the "Raiffeisen bank account, electronic services" List of Terms & Conditions. If a specific fee changes in the referenced List of Terms & Conditions, that fee shall be applicable. The table above shows the currently applicable fee. * In the event of the termination of a Premium amendment to the agreement, the Mastercard Premium Platinum card may be kept until its expiry, at the terms and conditions applying to the latest Premium type account package. After expiry, the card will be renewed as a Mastercard Gold card type as per the List of Terms & Conditions for Raiffeisen CLEVERcards, Debit and Credit Cards, at the terms and conditions applicable to the account package then in effect.

** Mastercard Standard cards will be issued for cardholders due to the discontinuation of VISA Classic, with the unilateral—favourable or not unfavourable—amendment of the cardholder agreement, of which cardholders will be notified in a separate letter as well. Starting from 01/07/2020, customers may not apply for Mastercard Standard cards.

***The terms and conditions of the Visa Gold card issued as a replacement to the Premium Visa Gold card are included in the line "Premium Visa Gold".

**** From 01/03/2024, sales of the OneCard debit card will cease. When renewing OneCard debit cards expiring from 01/04/2024, the Bank will issue Mastercard Standard bank cards.

The Mastercard bankcards and the VISA debit cards issued by the Bank from 8th January 2024, are considered contactless bankcards. In case of contactless purchases below HUF 15 000, or below the defined amount in other countries outside Hungary, the Minicard can be used at contactless payment acceptance points without signature or PIN code. In accordance with requirements concerning strong customer authentication, customers may be expected to enter their PIN codes for amounts below HUF 15,000 as well. In case of purchases above HUF 15 000, or above the defined amount in other countries outside Hungary (e.g. EUR 20), the cardholder has to approve the transaction with PIN code.

The THM was determined in accordance with the current conditions and the legal provisions in force and monthly free of charge Premium Gold account package, and its value may change if the conditions change. The definition of the THM refers to a HUF 375,000 credit limit, for OneCard Gold Credit Card to the minimum 750,000 HUF credit limit applicable from 25th August 2021 and a 1 year term. The annual percentage rate valid for the amount of the final purchase limit approved on the basis of the individual contract – which may differ from the values indicated in these Terms and Conditions – is included in the Bank's written notice, which is part of the individual contract. The settlement period taken into account in the calculation of the THM is the period between the 25th day of each month and the 25th day of the next month. If the limit date is not a bank working day, then the bank working day immediately preceding such date shall be taken into account in calculating the settlement period. The value of the THM does not reflect the interest risk of the loan. The annual percentage rate is calculated on the basis of the following formula:

$$H = \sum_{k=1}^m \frac{A_k}{(1+i)^{t_k}}$$

Where: H: the loan amount, less the costs related to the drawdown of the loan
 Ak: the amount of the kth repayment instalment
 m: is the number of repayment instalments,
 tk: the time of the kth repayment expressed in years or part-years
 i: value of the THM
